

MAY SPA TREATMENT SPECIALS

Complimentary Crystal Enhancement

Elevate your massage treatment with a complimentary crystal enhancement. Crystals are considered “master healers” and are believed to amplify, restore and regulate the body's energy. When booking any Ocean Calm Massage or Beach Feet Massage simply request a complimentary upgrade to our heated quartz crystal massage table to experience a total mind and body balance.

Spring Renewal

Enjoy a full body exfoliation using a customized, hand-blended mixture of salts and local herbs chosen by you. After the treatment, rinse off in a soothing rain shower and prepare for a full body massage with special attention to your feet - for grounding and stability. The healing tone of antique sound bowls will accompany the massage to induce your ultimate relaxation, preparing you for a complete spring renewal!

Quarantine Revival

You survived quarantine but you're still not quite feeling like yourself, are we right? Don't worry, we've curated the ultimate Balancing Body and Mind treatment, guaranteed to put you back together. An exfoliation with Himalayan salts will stimulate your circulation, whilst cocooning in the nutritive salts will revitalize your immune system and reflexology techniques offer a sense of grounding, bringing you back to a stable homeostasis.

Mother's May Package

Honor your Mother with a rejuvenating afternoon at the spa, featuring a Coconut Body Treatment, Massage and Facial. Our coconut ritual begins with a body brushing exfoliation designed to reduce inflammation, followed by a personalized body massage. The ultra-hydrating Coconut Facial incorporates our signature herbal facial steam, alongside a restorative papaya and pineapple enzyme exfoliation.
